"Now I'm able to embrace life's
superficiality."

Vice Principal,
you shouldn't rush
to conclusions

This
conversation
is over

He did it

I'm not the kind
of guy to get this
emotional

*A few hours
later my mom
came to the
school.*

*I was
suspended
from school.*

It was punishment for trespassing last night.

*The cat
returned
home after
3 days*

THE CAT HAD BEEN MISSING THE WHOLE TIME!!

*After my
suspension
ended, summer
break began*

*Although summer
school began,*

*I didn't
return to school.*

*Summer was
monotonous*

*I spent most of
my time watching
TV or sleeping*

*I didn't
have the
energy to
do anything
else.*

*And
occasionally*

*there are times
old friends come
to mind*

*Since the accident,
I never had a chance to
mourn my friends*

*I didn't get to
embrace this
hollowness
within me*

*This is definitely a
necessary time period for me.*

*Gydaar didn't
say anything
in return*

*Even after
he left,*

*I didn't
follow
behind
him,*

*Life is always
different from what
you expected.*

*Now, it seems I'm able to
embrace its unpredictability*
